DETAILED ACTION

Acknowledgements

The Examiner acknowledges the reply filed 3/27/2009 in which claims 1-2, 8-10, 12 and 16 were amended. Currently claims 1-27 are pending for examination in this application with claims 3-7 and 21-27 withdrawn from a previous election restriction.

Applicant's Representative is advised to **cancel or request rejoinder** of any pending withdraw application claims if a further response is submitted.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 16-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Regarding claims 16-21, Applicant's Representative has amended the claim 16 to depend from claim 1, with claim 16 further claiming an "expandable support frame" and "expandable attachment apparatus", which appears to be the same support frame "apparatus" which is already claimed in independent claim 1. Regarding claim 18, the claim further comprises an additional "membrane", which again appears to be a repeat of the membrane already present in independent claim 1.

Allowable Subject Matter

Claims 1, 2 and 8-15 are allowed.

Response to Arguments

Applicant's arguments with respect to claims 1-2 and 8-21 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
